

E-training tool descriptor

Supra-category: IOTC ROS Observer Co-ordinator Training (IOTC ROS OLC)

Category: Category: Debriefers Training (IOTC ROS OLC TR9)

Course: Complete a debriefing process with a fisheries observer. (IOTC ROS OLC TR9.05)

Course Description

Debriefing templates, observer evaluation forms and score sheets ensure observed data and trip report are properly checked for quality and accuracy, that inconsistencies are identified and delt with, to provide the observer with the needed feedback on its work, the observer programme with comments and advice on observer performance.

The purpose of this course is to familiarize participants with IOTC ROS standard observer debriefing templates, evaluation forms and score sheets.

Participants are to autonomously complete this e-training module in preparation to the practical debriefing of observers.
