CAPE TOWN, 25-27 OCTOBER 2017

E–MARIS VALIDATION WORKSHOP

MODULES DEFINITION & BENEFITS FOR CPCS & SECRETARIAT

GLOBAL ORGANISATION

▸ **Implementation Dashboard for CPCs** (see the submission requirements, answer questions, submit requested documents and data, get feedback from IOTC Secretariat, etc.)

▸ **Compliance Dashboard for IOTC** (see submission status for each CPC, interact with CPCs, build Compliance reports, etc.)

▸ **Administration tools for IOTC** (manage users, build Implementation Report templates, manage notification schedule, perform administrative tasks, etc.)

▸ **Links to the IOTC Statistical Working System** (sending CPC data submissions to it and retrieving validation and QA information from it)
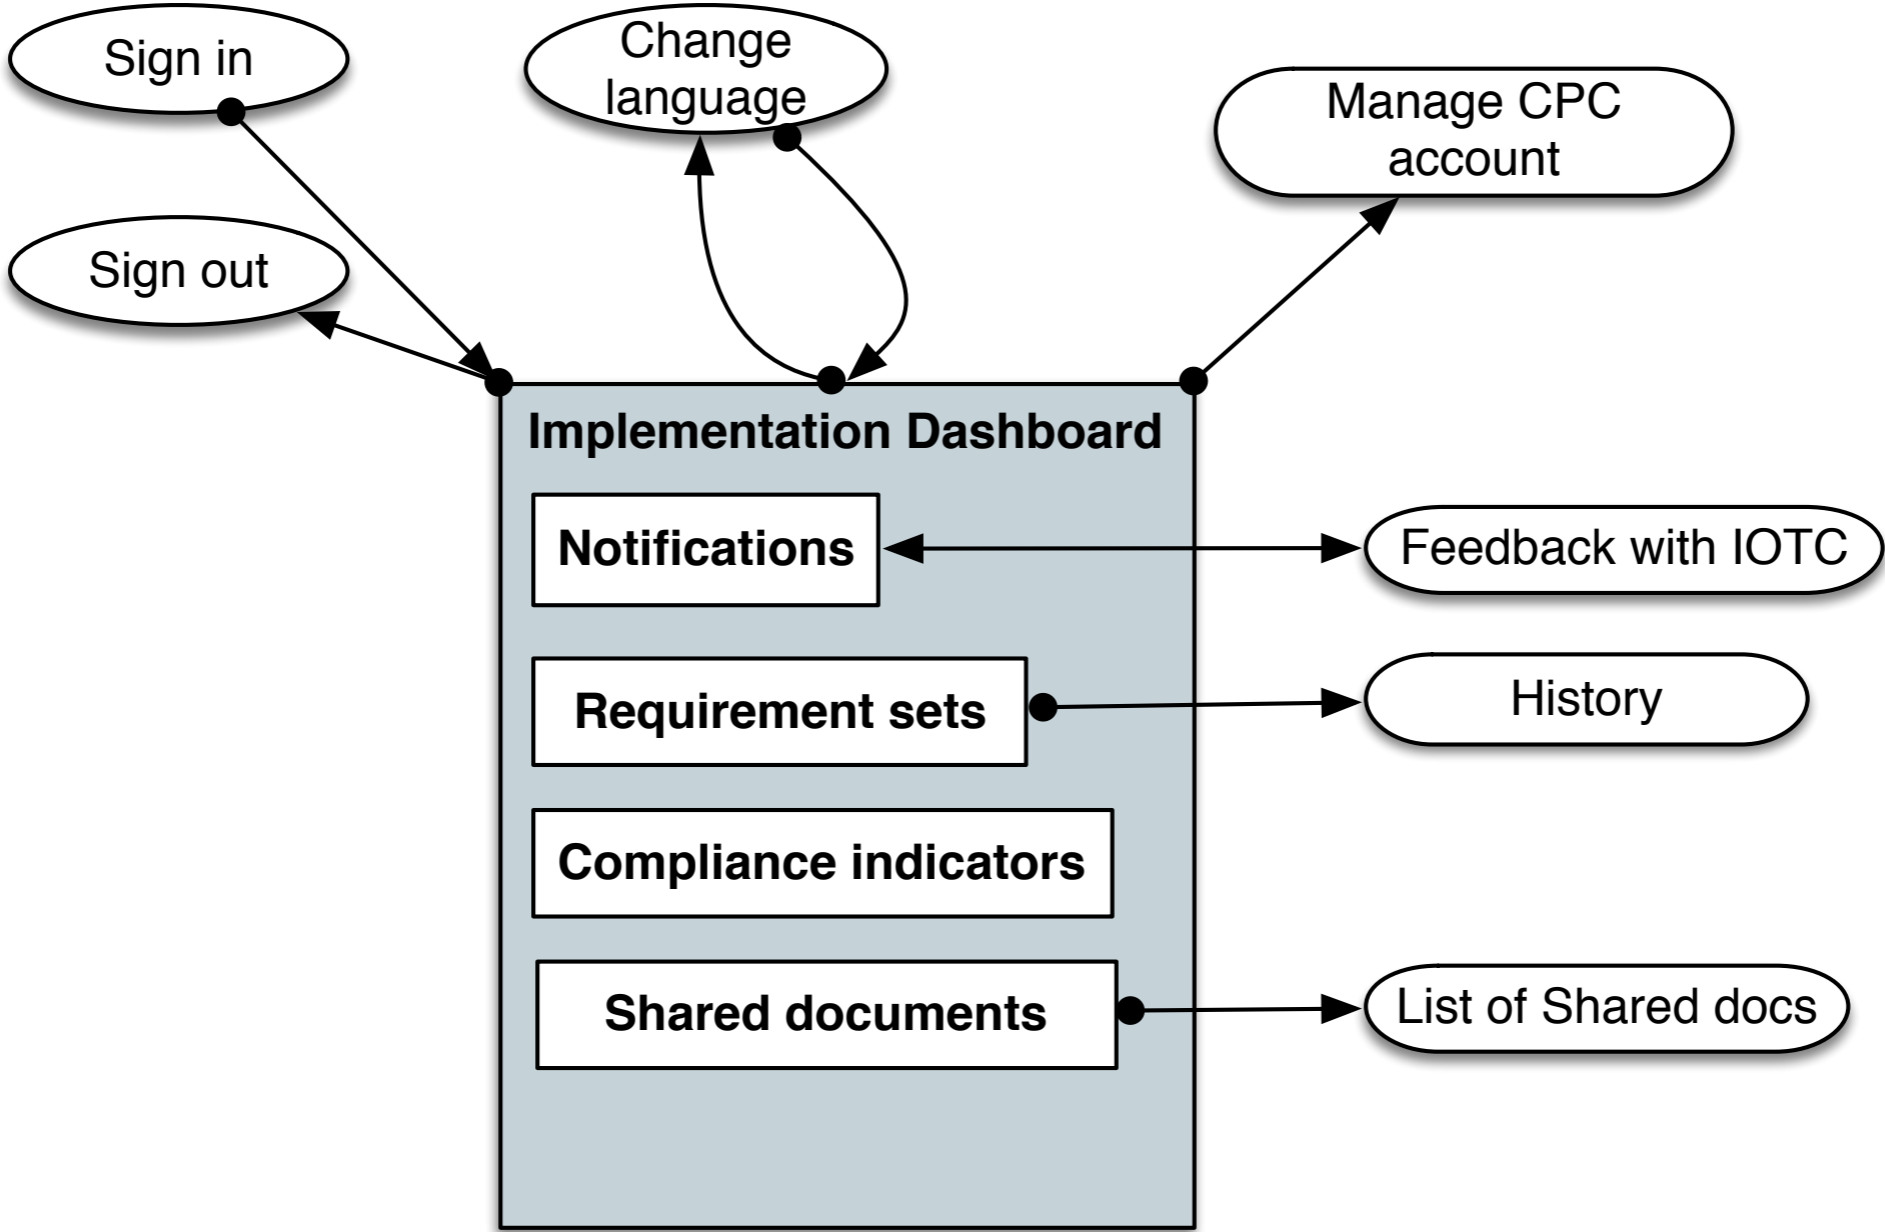

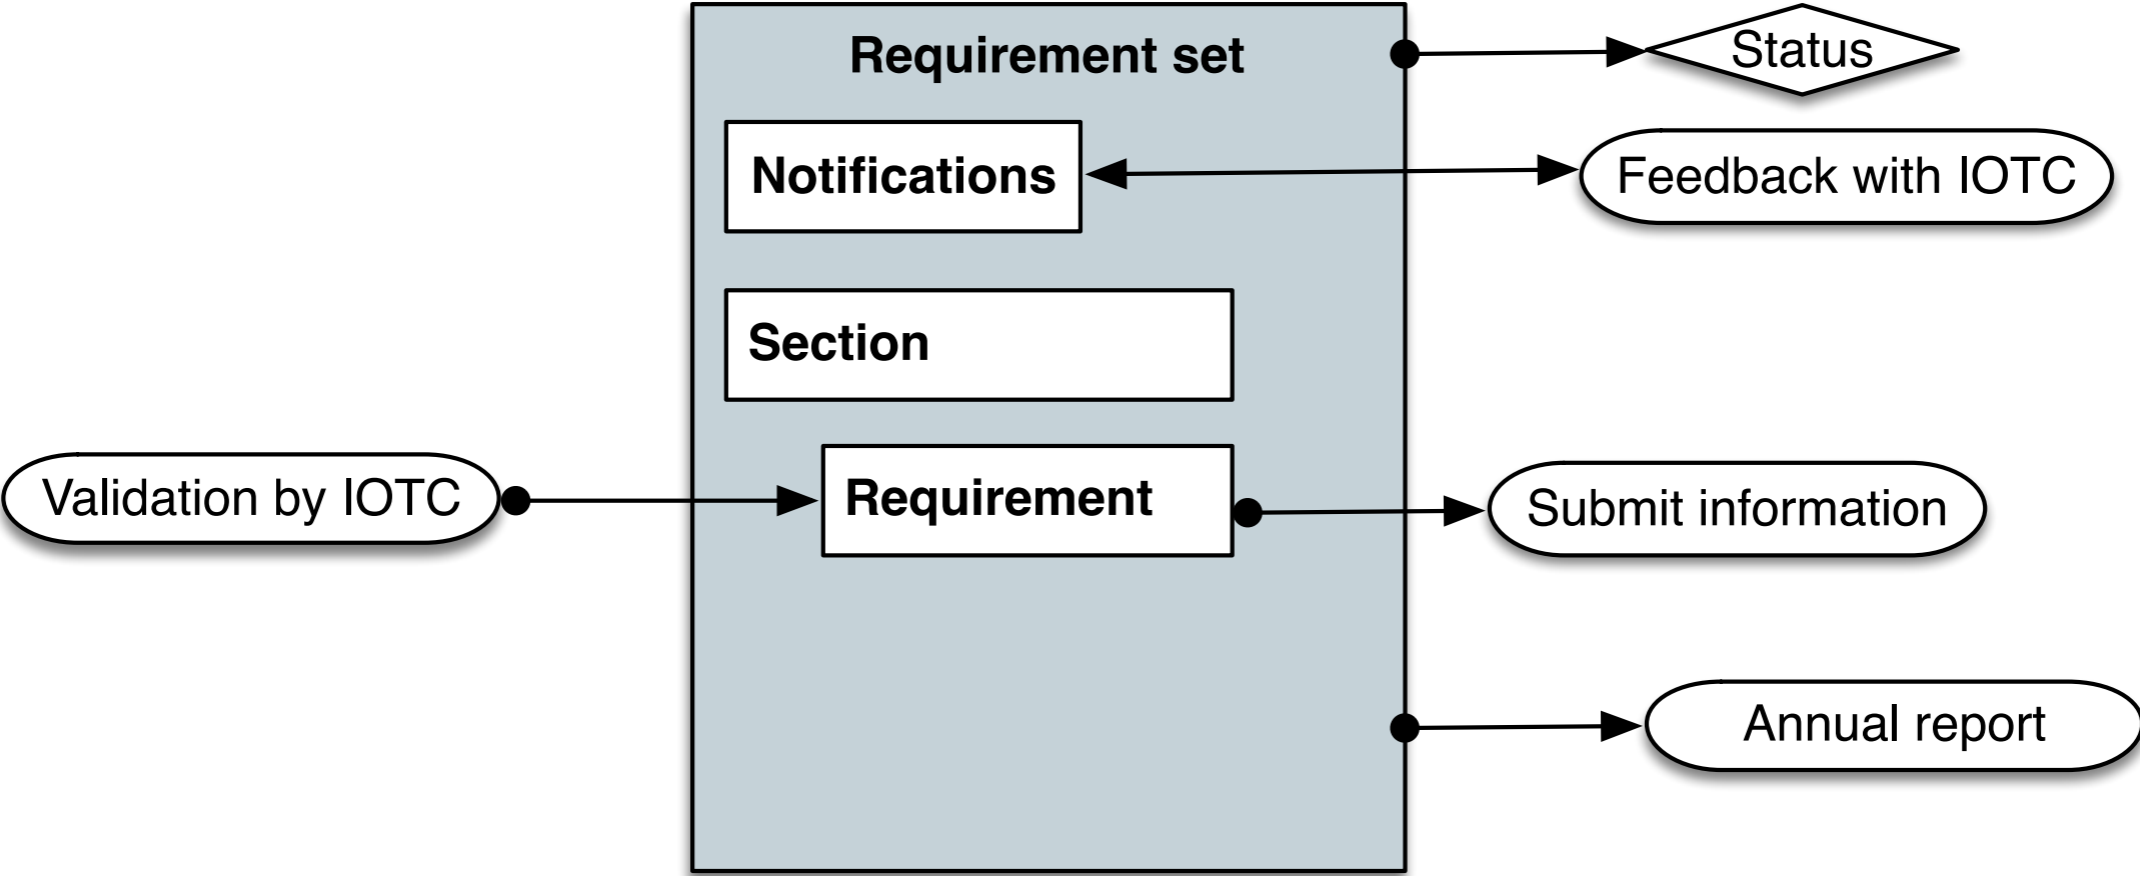

GLOBAL ORGANISATION

IMPLEMENTATION DASHBOARD

▸ The Implementation Dashboard (ID) is the central hub for CPC users to:

   ▸ see what information they have to submit to IOTC,

   ▸ submit it,

   ▸ get feedback from the IOTC Secretariat,

   ▸ consult reporting & compliance status
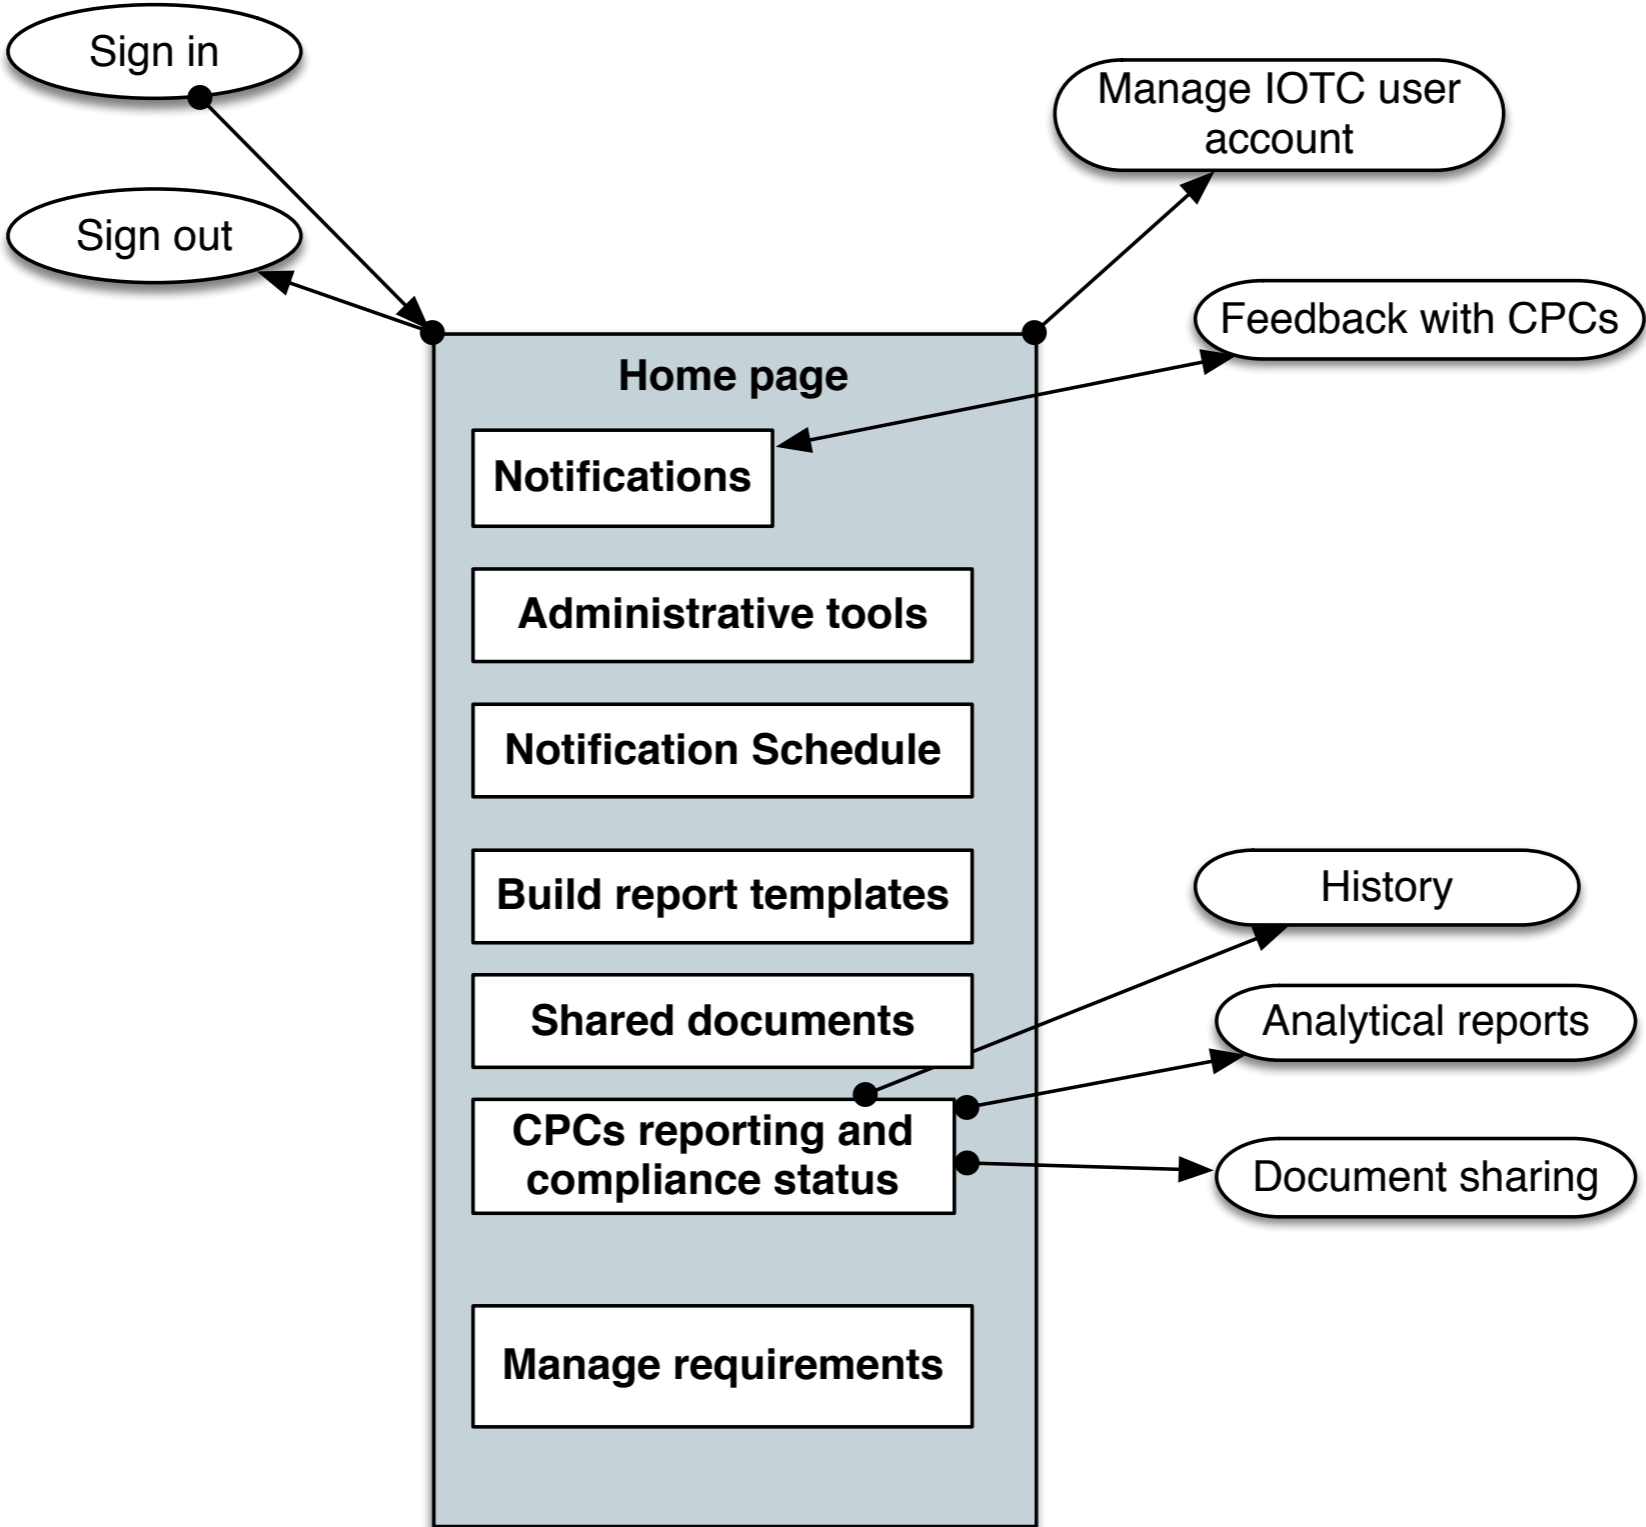

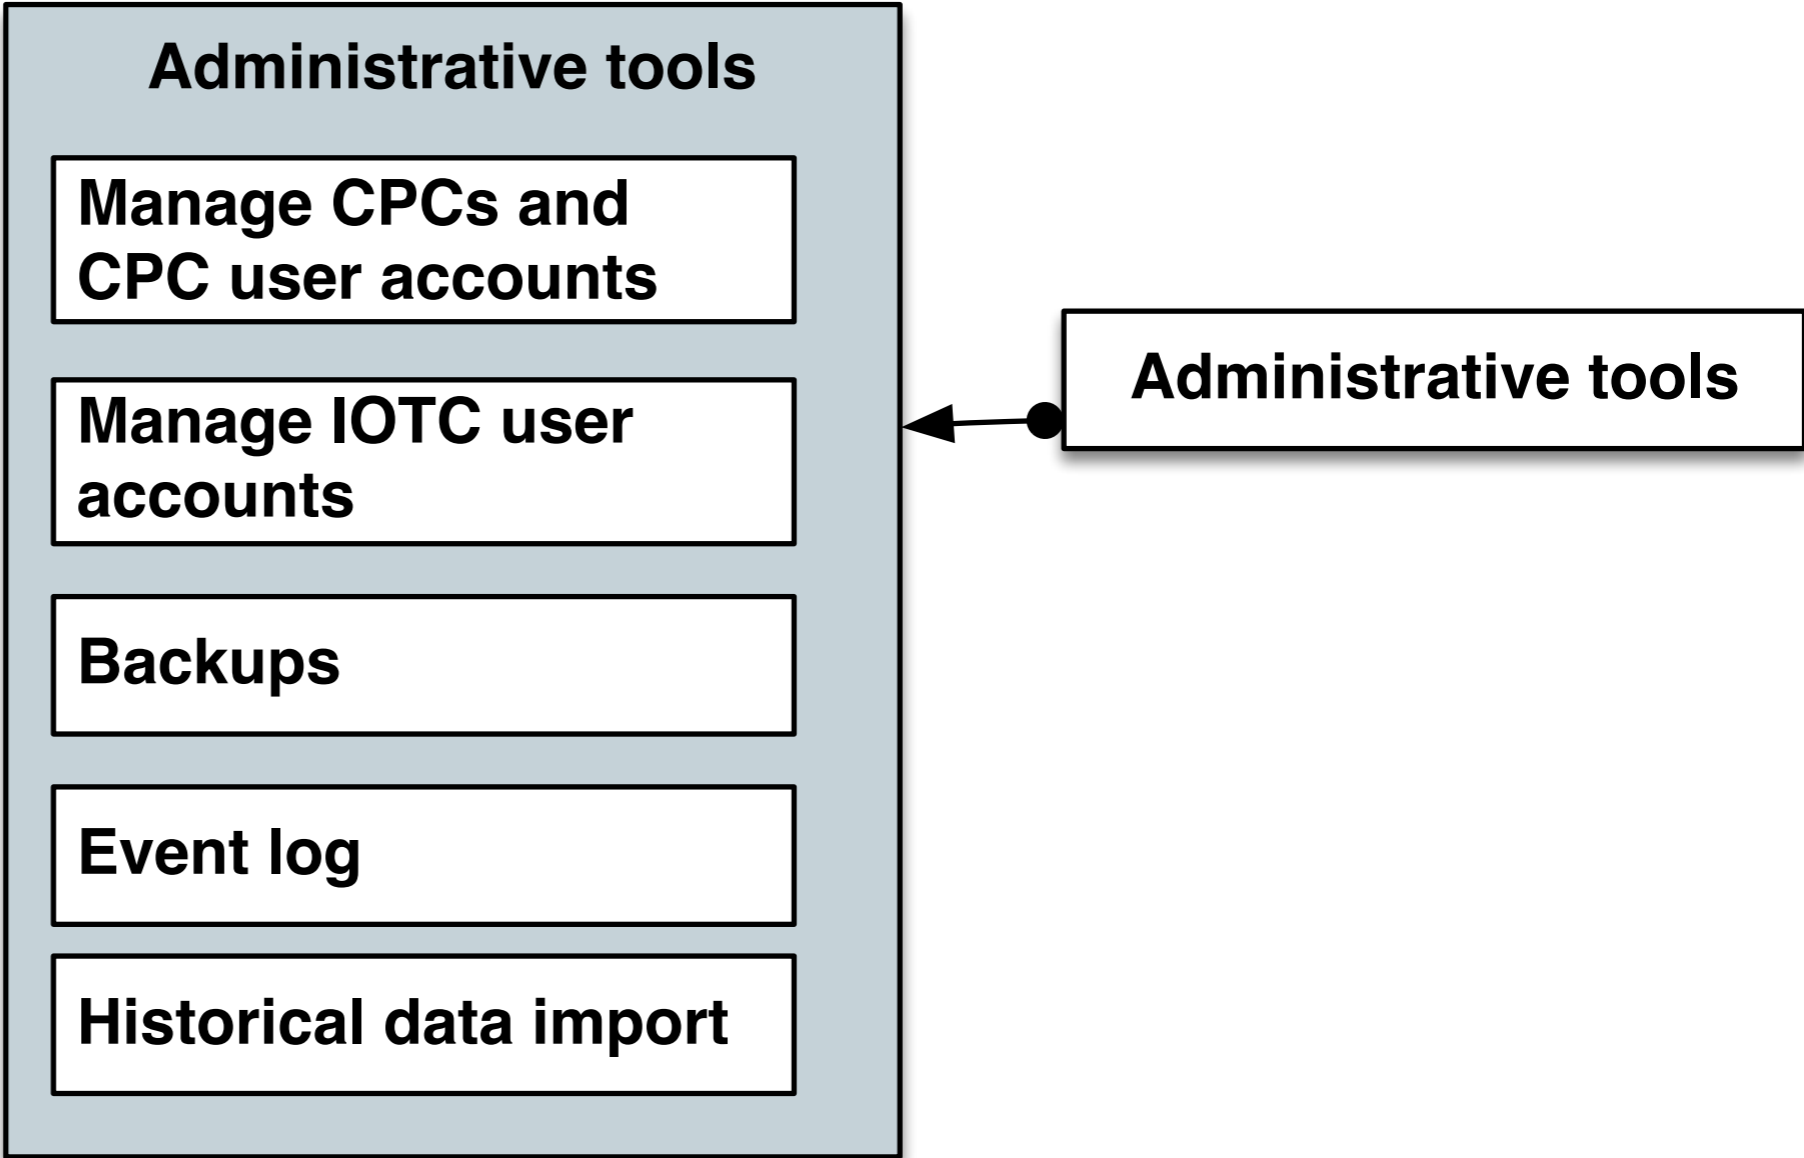

IMPLEMENTATION DASHBOARD

IMPLEMENTATION DASHBOARD

COMPLIANCE DASHBOARD

▸ The Compliance Dashboard is the central hub for IOTC users to perform all features related to the operation and administration of e-MARIS:

  ▸ managing requirements sets and requirements,

  ▸ receiving CPC submissions,

  ▸ interacting with CPCs,

  ▸ validating CPC submissions,

  ▸ producing analytical reports

# COMPLIANCE DASHBOARD
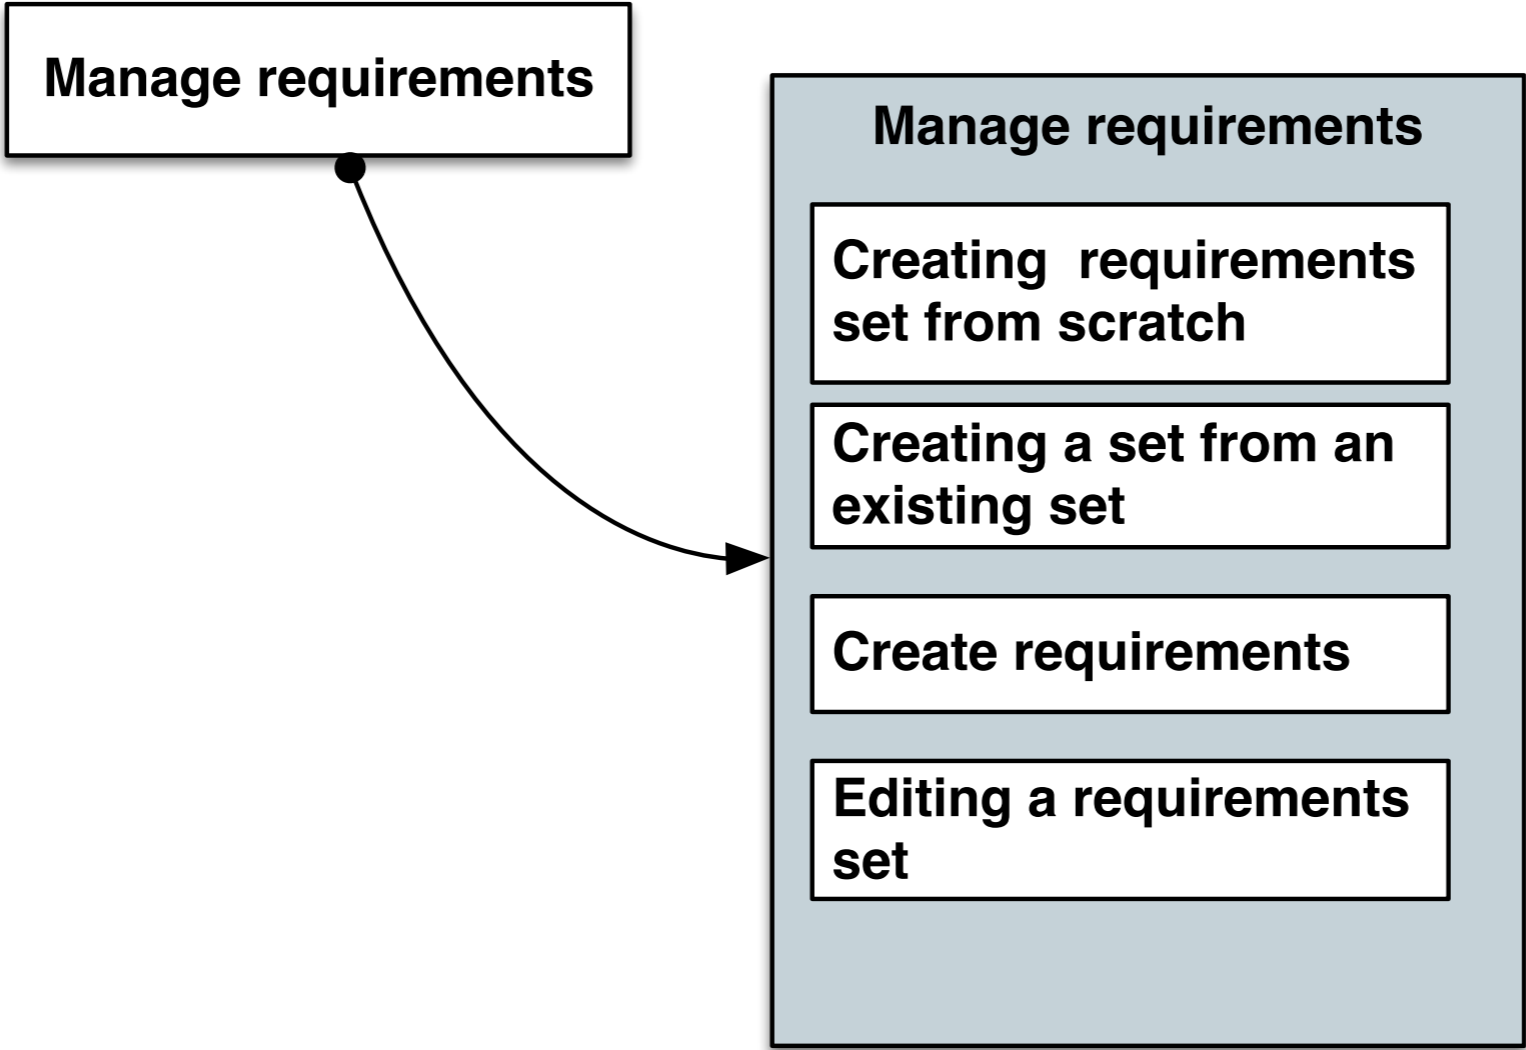

COMPLIANCE DASHBOARD
